

LAMINATI MATERICI

Le superfici in laminato materico 3D, rappresentano ormai in tutti i settori dell'arredamento lo stato dell'arte delle finiture. Un materiale che nel tempo si è evoluto con una verosimiglianza incredibile, sia verso i legni naturali che altre superfici materiche.

3D materic laminate surfaces now represent the state of the art in finishes in all fields of furniture. A material that over time has evolved with incredible verisimilitude, both towards natural woods and other material surfaces.

Les surfaces laminé texturé 3D représentent désormais dans tous les secteurs de l'ameublement l'état de l'art des finitions. Un matériau qui a évolué au fil du temps avec une vraisemblance incroyable avec les bois naturels mais aussi avec d'autres surfaces.
